All Around Skin  
Rejuvenation

Skin  
Rejuvenation  
Has Never  
Been So Easy

Alma Beauty REJUVENATION is a complete skin rejuvenation solution that reignites natural beauty. Treatments are perfect for body and face, including all skin types, and are completely safe for thin and delicate areas, such as the neck and décolleté, as well as hands, arms and stretch marks.

Results include a significant decrease in the appearance of vascular and pigmented lesions, as well as pore size reduction, and better tone and texture. Skin is smooth, silky and shiny - quickly and easily.

*Two Technologies.  
One Beautiful Result*

---

## Dye-PL™ & AFT™: Precise, Clear-Cut Results

These technologies work together to offer you more accurate treatments and better results through the use of precise and more efficient light energy. This solution is as effective as laser treatment, with the safety of Intense Pulsed Light (IPL) treatment. It removes the appearance of pigmented lesions and vascular lesions, achieving a beautiful effect.

---

## Cool Comfort

The simultaneous GlacialTech™ unique cooling technology cools the skin's surface, for increased comfort and safety.
